Letter of confirmation

Change of company name

We are pleased to confirm that at the end of June 2014, the canton of Vaud acceded to the 1973 intercantonal agreement on the sale of salt in Switzerland. The merger of the two companies Saline de Bex SA and Schweizer Rheinsalinen AG (Salines Suisse du Rhin SA) was thus decided and the unified presence under the Schweizer Salinen AG (Salines Suisses SA) brand was implemented.
